### Registration fee

- 14(1) Subject to subsection (2), a licensee may require a prospective student to pay a registration fee of not more than \$150 before that person's vocational training begins.
- (2) A licensee must not require or accept payment of
- (a) a registration fee in respect of a prospective student until that person has signed a student contract, or
  - (b) a tuition fee in respect of a prospective student before that person's vocational training begins.
- (3) A licensee who receives a registration fee must credit the fee to unpaid tuition if the student commences the vocational training.

### Cooling off period

15 Notwithstanding anything in this Regulation, if a student terminates a student contract on or before the 4th business day after signing the contract, the licensee must refund any tuition or other fee paid by or on behalf of the student.
